

Vesper Community Center

\$300 Sponsorship/Marketing Opportunity for 2026-2027

Thank you to all the generous sponsors of the Vesper Community Center for 2025/2026. Local business financial support has helped fund improvements by providing funds along with grants to help improve the volunteer run facility. In the last year, plumbing and kitchen upgrades including new stainless steel tables, storage cabinets, refrigeration equipment, and wifi temperature monitoring sensors were installed, additional handicap parking spots and sidewalks have been poured, and more millings were spread.

Your \$300 sponsorship will help underwrite continued improvements, maintenance and operating costs of the volunteer run community center for the next 12 months. Your sponsorship also helps support the Memorial Day meal, February Farm show, monthly bingo, and farmers markets.

Sponsors receive the following:

Digital signage in the center. The center now has large TV screens which runs slide shows of sponsors and other information to visitors during community center sponsored events. Sponsors can provide up to 3 slides and update them by request throughout the year. Slide formats if possible should be 1280x720p jpg.

Visibility on our facebook page, website and boosted posts. Facebook posts that include the names of our business sponsors receive tens of thousands of impressions throughout the year in Lincoln and surrounding counties.

Two dedicated posts for your business on our facebook page, during the year. You can provide the text, picture and the two selected months for the post along with the URL of a website (if available) for click thrus. Your post will also include the text [business name] has provided financial support for the Vesper Community Center.
